FOR IMMEDIATE RELEASE

Re: TAM Consultants teams up with Housing Partnerships to build a deck.

TAM Consultants had the privilege of working with Housing Partnerships in Williamsburg, Virginia. The resident in this community needed a new deck to gain access to her home. TAM Consultants designed and built the deck in cooperation with Housing Partnerships. Housing Partnerships is a nonprofit organization that assists the elderly and very low income residents with much needed housing and repairs.

For more information visit www.TAMconsultants.com.
